Cost of magazines for educational purposes may be tax deductible.

PLEASE NOTE that the time it takes for service to start will vary by magazine. Weeklies normally take 4 to 6 weeks. On monthly magazines (and others that come out less often) the wait is generally only a few weeks more, depending on the date of next issue.

GUARANTEE—The Special Rates on this card are guaranteed the lowest now available. Should you find a better current price on any magazine you order, we will match it and refund the difference instantly.
